- Picked up the flyer for movie extras (p. 6) at the Goodwill store. It would be very amusing to go to Hawley on 9/8/84 and see who shows up. I will not, of course, go over.
- Re "Mr. Loomis" on page 7 in Harold T. Loomis of Haverdale. He read the list of students that are enrolled in the Wallingford schools and picked out the Loomises and wrote and asked me who they are. He guessed that they are grand-children of Raymond R. Loomis. I have another letter here from Harold T. Loomis that I must answer. He sounds like an interesting man.
- Re 8/29/84 letter to SRP from the Assistant Postmaster General is a wonderful victory for (1) historical preservation in Carbondale, (2) for the former Post office building, and (3) for SRP.
- Yet another large envelope of things from FMW — she is a pest. Most of the contents of the envelope I discarded. The Truman Capote material was from FMW and for that I am grateful.

FMW called me some time ago and arranged some concert tickets for her and me this weekend I believe. I don't really want to go to NYC this weekend. She has not brought up the subject of the tickets and certainly I will not. I will never again stay at her apartment on West 111th Street. She apparently believes that I have tender ^{& romantic} feelings towards her, which I clearly do not. She is much too supporting for my taste.

Went to the golf course and bathed on my way to the CHS+M meeting. Just as I was finishing dressing, a golfer in the Club Room below was holding forth in a very loud voice about Socialists & Communists and such in American government. The man was so loud and so ignorant and so self-righteous and so smug that I quickly dressed and ran down the back stairs and fled. I could not endure his ignorance.

Five people, ^{in addition to} SRP were present at the September meeting of the Carbondale Historical Society and Museum, etc.: Hank Loftin, R. J. Tormaine, Joe Pascoe, Sue Stephens & Howard Yesson. Disappointing turn out — no J. V. B. Before the meeting began — from 5-6:30 PM — I watered the flower boxes. At 6:30 P.M. I went down to the Northeastern Bank & met Earl Hornmiker and we went up to Memorial Park & I selected a box for them and we took it down to the bank. The arrangements for all this were made by Marie Heid, who called me on 9/5/84 at 12:45 PM, and also by Earl Hornmiker, who telephoned me not long after that. Earl & his cousin moved the box. I gave Earl a copy of I, 2 of the Newsletter of the CHS+M, and he gave me three color post cards and two "cards" that his ^{mother} gave him to give to me: the post cards — (1) Soldier's Monument, Carbondale, Pa. (2) Sixth Avenue, Carbondale, PA (3) 20700 — Trinity Episcopal Church, Carbondale, PA

The two cards:

- (1) "Mardi Dance of the P.O.S. of A. and P.O. of A. Monday evening, March 12, 1923 Junior Hall 221-2 Salem Avenue Admission by invitation only Couple \$1.00 Extra Lady 35¢ Music by Five Melodists"
- (2) The Women's Hospital Board of Emergency Hospital Request your presence at a Canned Fruit and Jelly Shower on Tuesday, March 23, 1915 at the home of Mrs. D. W. Humphrey 109 Salem Avenue

We have all these cards, but it is nice to get extra copies of them.

This was & is now in an envelope addressed to "Mrs. R. Gibbs."
